

IS TOY 690

Product Data Sheet

The 2-way component kit IS TOY 690 is designed for drivers who want to replace their original audio system with a quality sound solution. The speaker drivers integrate the Polyglass cone for defined midrange and the Aluminium inverted dome tweeter, a Focal technology allowing perfectly rendered trebles.

Key Points

- Quick installation
- No wire to cut, no modification
- 100% compatible with your vehicle
- Sound quality superior compared to the original one
- Deep bass thanks to the elliptical cone
- Mounting accessories included

Check your car compatibility at www.focal-inside.com
